

HOLY MASS

Registrations are no longer required for Mass. Parishioners can choose to attend any Mass but attendance will be limited by the occupancy allowed and physical distancing required under N.S.W. Government legislation from 1 July.

Attendance is limited to 100 people. This is based on the 4 square metre rule and physical distancing of 1.5 metres.

Doors will open 20 minutes before Mass and will close 5 minutes before Mass. Please write your name and contact details on the forms at the doors as required by N.S.W. Government legislation.

Please sanitise your hands before entering the church.

Please only sit in the places marked on the pews and keep 1.5 metres physical distance.

The N.S.W. Government can impose penalties of \$55,000 on the parish and \$1,000 on individuals for not complying with these regulations.
